

BOARD NOMINATION FORM

About LEDC

Incorporated in 2003, the Latino Economic Development Center is a statewide membership-based nonprofit organization headquartered in Minneapolis with locations in East St. Paul and greater Minnesota. The mission of LEDC is to transform our community by creating economic opportunity for Latinos.

Board Member Responsibility

LEDC's 12-member Board of Directors meets six (6) times per year (first Wednesday every other month, 8:30-10:30am). The Board members are the fiduciaries who steer the organization towards a sustainable future by adopting sound, ethical, and legal governance and financial management policies, as well as by making sure the nonprofit has adequate resources to advance its mission. Board terms are usually three (3) years and each Board member is asked to serve on one (1) board sub-committee.

Board Member Nomination Process

Open board seats are filled each year by an annual nomination and voting process. Interested candidates submit the form below and send a brief bio by February 29. LEDC's membership votes on candidates by the last day in April and new board members are announced at LEDC's Annual Meeting in May.
